

Happy Holidays

2017

*'Twas the day before Tuesday,
And they sat at their desks,
All the people were wanting
To do their jobs best;*

*Their coffee mugs filled,
Eager to help and show they care,
They searched the ol' InterWebs
For what might be there;*

*After a quick look,
They found resources
To their laboring delight;*

*Well, more of a pathway
To be specifically clear,
But everything they needed
Was already right here;*

*Technical assistance
In this time of year,
Takes dedication and a team cheer,*

*They looked and they looked;
There was so much there,
And our Workforce staff
Had just so much to share;*

*Toolkits and tactics,
Research and best practices,
Webinars to attend,
Colleagues old and new;*

*Communities of practice,
Collections galore,
So many chances to connect,
And to learn something new!*

*They told their students
Of all that they found,
And the word of our Workforce
Quickly got around;*

*Workforce, Education, and
Business a like;
Find what you need, as easy
As riding a bike!*

*Each day more people come
To know our Workforce,
A sure way to navigate
Our students to personal successes!*

*From the Workforce Staff at SBCTC—
We wish you a Happy and Safe Holiday!*

*Nancy, Erin, Kendra, Peter,
Anna, Katherine, Mat, Danny,
Jennifer, Mason, and Kim*
