2018 Healthcare Innovations Conference

Highlighting 10 years of HEET Achievement and Innovation in Washington State

A conference for healthcare educators and workforce partners

Join us for a review of healthcare education projects supported by the Hospital Employees Education and Training funds made available to Washington colleges since 2008. We'll discuss project successes, outcomes, lessons learned and the power of partnerships in program development and delivery.

South Seattle College - Georgetown Campus
6737 Corson Ave, South
Seattle, WA 98108
