

[Guided Pathways Retreat for Executive Leaders](#)

Monday, January 29th to Wednesday, January 31st

[Semiahmoo Resort](#) in Blaine, WA

The purpose of this retreat is to provide an opportunity for executive leaders to align their goals, strategize for the future, and strengthen collaboration to advance equity and student success. Given the audience, this retreat may be an opportunity for meaningful engagement in lieu of a joint commission meeting.

Outcomes:

- Communicate within and across institutions and roles/commissions to identify opportunities for deeper collaboration for institutional and systemic transformative change that advances student success and equity
- Identify and apply local and national data to set priorities for local and system leadership strategies for scaling Guided Pathways and Student Success practices
