This Amendment to SBCTC's MSSA is made and entered into by and between the Washington State Board for Community & Technical Colleges, hereinafter referred to as the "**AGENCY**", and Instructure, Inc. (Instructure), hereinafter referred to as "**CONTRACTOR**."

The parties hereby agree to amend and replace the following Sections.

2. Term

2.1 Term of Contract

b) This Contract's Term may be extended by additional one (1) to five (5) year terms, provided that the extensions shall be at Purchaser's option and shall be effected by Purchaser giving written notice of its intent to extend this Contract to Vendor not less than thirty (30) days prior to the then-current Contract Term's expiration. The parties hereby agree to add the following Sections.

46. Accessibility

Instructure remains committed to ensuring its products are accessible to users with disabilities. The Canvas LMS strives for WCAG 2.1 Level A/AA and Section 508 conformance. Regular testing (both internal and by a third party) is conducted to identify conformance issues, with processes in place for timely remediation of accessibility issues that are identified.

Canvas has been evaluated by Instructure and WebAIM according to WCAG 2.1 standards. Testing is regularly conducted using automated

tools, assistive technology (such as screen readers, keyboard testing, etc.), and coding best practices. Third party accessibility evaluation occurs semi-annually with internal audits conducted with each release. Mechanisms are in place for logging and fixing accessibility defects.

The parties hereby agree to extend the Contract through June 30, 2024.

**All other terms and conditions shall remain as stated in the original Contract and MSSA.**
