

February 5th - Floor Cutoff (bills without budget implications must be passed by the opposite chamber)

March 10th - Sine Die (session must end)

Bill	Companion	Title	What does it do?	Where is it?	What should we do?
HB 1075	SB 5086	Capital budget 2017-2019	<p>Governor's Book 2 budget proposal would provide \$277.6 million, or 82% of the \$337.8 million in new appropriations requested for our system's prioritized capital list.</p> <p>The proposal fully funds all of the minor projects and the first the ten of the nineteen major projects on the list. These major projects are at Edmonds, Wenatchee, Whatcom, Olympic, Pierce Fort Steilacoom, Big Bend, South Seattle, Spokane, Highline and Bates colleges. Funding for the project at Edmonds Community College is subject to the results of a budget evaluation study.</p> <p>The proposal also includes authority to locally finance all five of the projects requested. These authorities are subject to State Finance Committee and legislative approvals. These projects are at South Seattle, Cascadia, Renton, Clark and Shoreline colleges.</p> <p>The capital proposal includes construction of three projects which are expected to be completed during the biennium. However, there is no funding for the maintenance and operation of these new facilities in the operating proposal. These projects are at Edmonds, Whatcom and Highline colleges.</p> <p>The proposal includes sufficient reappropriations for all of the current major projects and, as expected, no reappropriations for minor projects.</p>	in Committee 1/12 heard in SWM 1/13 heard in HC	Testify and contact legislators with concerns. Lowest overall funding level for CTCs in recent history. M&O needs to be addressed in Operating budget.
