**Sample size may vary based on individual college or campus enrollment.

Notes

Member colleges are eligible for one discount; discount of highest value applies.

(<http://www.ccsse.org/sense/join/options.cfm#discount>)

- For colleges that are new to Center membership (have never participated in either *CCSSE* or *SENSE*), the Center offers a one-time 25% discount on the base fee of the first survey administration (see colleges whose names are in red font).
- Colleges that participate in *CCSSE* and *SENSE* in either the same calendar or academic year are eligible to receive a 20% package discount on the base fee of each survey in the pair.
 - ~ NOTE: Several colleges are currently signed up for *CCSSE* 2018 not part of a package. If those colleges are going to participate in *SENSE* 2018 and *CCSSE* 2019, the colleges can choose which *CCSSE* to package with *SENSE* 2018. This pricing estimate assumes that the colleges will choose to package *SENSE* 2018 with *CCSSE* 2018 instead of with *CCSSE* 2019. See discounts highlighted in yellow (retroactive package discount of 40% with *CCSSE* 2018, since currently their *CCSSE* 2018 base fee is being billed with no discount).
- Members of statewide consortia receive a 15% discount on the base membership fee. A statewide consortium consists of all colleges in a state or state system.

Colleges have the option upon preparation for the survey administration to add to the survey 1 or 2 special-focus item modules (\$500 per module per college). Of course in 2018 the Pathways module will be offered free of charge, but there is still the option of administering a second module even if the Pathways module is selected. Colleges may also choose to administer an oversample (pricing varies).
