# **Session Categories**

## ***Moving From Philosophical Ideas to Practical Application***

These sessions should be specific or comprehensive in scope and either at a stage of development or be fully operational, developed and advanced.

### **Category I. Equity, Diversity and Inclusion**

Discuss efforts to create inclusive higher education environments and programs; improve campus racial and ethnic relations; and/or expand opportunities for educational access and success by culturally diverse, traditionally underrepresented populations.

### **Category II. Strategic Enrollment Management**

Best practices that represent a college-wide collaborative effort, guided by the college mission, vision and strategic priorities, to achieve the college's goals for student recruitment, persistence, transfer and graduation rates.

### **Category III. Self-Care in the Workplace**

Learn manageable approaches and strategies to maintain a healthy relationship with yourself to identify and implement ways to enhance overall well-being of your body, mind and spirit.

### **Category IV. Professional Development**

Best practices of professional development to keep you up-to-date on current trends in education and industry as well as help you develop and enhance skills.

**INSTRUCTIONS: Please complete one form for EACH session proposal. Sessions are seventy-five (75) minutes in duration.**

*One page outline of session:*

--
