

January 13, 2020

Dear [REDACTED]:

On behalf of the faculty and staff, welcome to Wenatchee Valley College! We are excited that you are part of The Admissions Guarantee (TAG) Program and have been admitted to WVC for Fall 2020. TAG is a partnership between your high school and WVC designed to make the transition from high school to college easier. You must graduate from your high school to be a TAG participant. You will need to complete an admissions application to the college if you have not already done so. If you have applied, please let us know how we can further assist you.

To apply, please come by campus and visit us, or feel free to apply online at www.wvc.edu/apply. When completing your application for admission, please help us by including "TAG" in Section 2, where it asks "what is your intended major area of study." Please see the example below.

What is your intended major area of study?

Biology/TAG

Admitted for: Fall 2020

Advising & registration begins: May 26, 2020

You will learn more about WVC when you attend a New Student Advising and Registration session. We offer several sessions for all new students starting, May 26, 2020 thru September 4, 2020. You must attend one of these sessions in order to enroll at WVC.

If you choose not to enroll at WVC, no action is required; you will be removed from our enrollment process in September.

Please review the TAG Student Checklist on the back of this letter for your next steps. If you have any questions, please contact Lucero Martinez, Outreach and Recruitment Coordinator, at 509.682.6837 or by email at outreach@wvc.edu. You will be seeing a WVC representative visiting your high school this year, so stop by the table, get some WVC swag, and say "Hi"!

Sincerely,

Jonathan Barnett
Director of Enrollment Services/Registrar
