

## 2019-2020 DATA COLLECTION SURVEY

This copy of the survey is provided for your convenience as you gather data.

The survey for the 2019-2020 academic year will include only the questions below. In all cases, the 2019-2020 academic year refers to the time period of July 1, 2019 to June 31, 2020.

*Please disregard earlier information you may have received about the 2019-2020 survey.*

1. What was your institution's total student enrollment (head count) in 2019-2020? Please include all matriculated full-time, part-time, and distance students. Enter # \_\_\_\_\_
2. Does your institution provide professional behavioral health or mental health counseling? Yes      No
3. How many students accessed mental health counseling services at your institution during 2019-2020? Please include those students who attended counseling groups. Enter # \_\_\_\_\_
4. How many students were referred to mental health or behavioral health resources off campus during 2019-2020? Only count those students referred by professional mental health counseling staff or (for institutions that do not provide mental health counseling) counselors whose roles include personal counseling. Enter # \_\_\_\_\_

*Active student is defined as a student who was enrolled at any point in the quarter/semester of death/incident, even if withdrawn prior to death or incident; whose death/incident occurred between quarters/semester or holidays/ summer break, but was enrolled for subsequent quarter/semester.*

***Please do not include students who were on a leave of absence, had already graduated, or who died between quarters/semesters and were not enrolled for subsequent quarter/semester.***

*Questions that include "to the best of your knowledge" rely on your knowledge rather than specifically on medical or other records which may be unavailable.*

5. A) To the best of your knowledge, how many students withdrew from their studies during 2019-2020 for a behavioral health reason (e.g., emotional distress, mental health, substance use disorder)? Behavioral health/emotional distress need not be the primary for the withdrawal. Enter # \_\_\_\_\_  
  
B) How many students took a medical leave or other leave of absence for a behavioral health reason. Behavioral health/emotional distress need not be the primary for the leave. Enter # \_\_\_\_\_

6. A) To the best of your knowledge, how many suicides took place among active students during 2019-2020? Enter # \_\_\_\_\_

B) To the best of your knowledge, how many suicide attempts among active students resulted in hospitalization during 2019-2020? Enter # \_\_\_\_\_

C) To the best of your knowledge, how many suicide attempts among active students resulted in Emergency Department visits during 2019-2020? Enter # \_\_\_\_\_  
*Include those students who went to the ER/ED regardless of if they were admitted. Do not include those who went to Urgent Care.*

7. Is there anything you would like to share about the obstacles and successes your institution encountered during 2019-2020 in providing mental health services to students during the pandemic?
