

COLLEGE SERVICES

Improving College Completion through Differentiated Supports.

OVERVIEW

CSF supports a differentiated college-services model, including:

One-on-one supports through trained coaches who help improve student performance and goal achievement through self-directed learning and development. Note: coaching begins summer before freshman year and ends upon graduation.

Scholarships and Emergency Funds that help remove financial barriers to persistence and completion.

Timely access to support and content through CSF's studentfacing website, text-messages, e-mail or phone.

Webinars and workshops designed to develop student's academic and non-academic skills, as well as their connections to peers and professionals.

COACHING APPROACH

Coaches training in Fostering Success coaching model that assess student performance in Seven Life Domains (*see. Fig 1*), partners to prioritize goals and teaches by providing the knowledge, skill-building and/or resources required to achieve identified goals.
